## The Exhibition

In 2023 Uzexpocentre will host the next edition of AgroExpo Uzbekistan /Agrotech Expo, one of Uzbekistan's leading exhibition for agriculture and food processing industries. The exhibitions have a long-standing reputation as a platform for establishing cooperation between foreign producers and buyers from Uzbekistan. Despite the covid-related restrictions the exhibition was visited by over 3 thousand local experts from Uzbekistan and neighboring countries. The government, thus, provides special assistance and privileges to the exhibitors related to the custom clearance of products and technologies brought to the show. For more details, please contact the organizers.
